£5.50

New legislation designed to combat the threat of the Coronavirus applies to all of us!

Local Council/Police inspectors will monitor the compliance of our business. If our staff and customers fail to comply we risk being closed down. An extremely comprehensive Risk Assessment has been carried out in conjunction with our Local Council, the results of which are:

- A non-contact thermometer is available so that staff can be assured that no visitor is feverish.
- The collection of NHS Track & Trace data is obligatory and it will be securely stored for a maximum of 21 days before disposal.
- Table space must exist within the main building before you can enter. In the event of bad weather, then a temporary table may be available in the Old School Room for you to await entry into the main building.
- Single-use menus allow you to order food ensuring minimal contact & to provide the NHS T&T contact details.
- Hand sanitisation on arrival is compulsory. Further sanitisers have been provided in the lavatories.
- The main building is a one-way zone, Entry and Exit gates have been designated in the garden to reduce congestion.
- Signs direct customers to the appropriate garden gate for entry/exit/access to Toilets.
- Sneeze Screens have been sited indoors where space limitations prevent standard Social Distancing requirements.
- Tables & Chairs cannot be moved. Maximum table size is 6, comprising no more than 2 households, each household must provide NHS T&T data.
- Tables can be reserved/occupied for no more than 3 hours per sitting. Extensions may be permitted, where possible.
- Outside tables are available on a first come, first served basis. Only 1 visitor per table should approach the building to place an order for food/drinks. One single service point is clearly marked for customers to receive bar service. Table service indoors will be offered when feasible.
- Linger at the bar is not permitted. No food or drink can be consumed standing indoors, at the bar or otherwise.
- Toilets are now restricted to single person use (parent and child combinations excepted). Waiting areas are clearly marked.
- Dogs are welcome in the garden (on a lead) but cannot enter the building.
- Payment by card is preferred for each order and no "Tabs" will be possible for the foreseeable future.
- Children are encouraged to remain seated in the garden (compulsory indoors) and the children's play area is shut.

Please acknowledge your understanding of the above, be aware that any breaches may result in us having to ask you to leave the premises in order to protect staff and other visitors from unnecessary risk.
